The Premises:

Block of flats on the main Edgware Road W2. Room was small with mattress on the floor. Was fairly clean.

The Lady:

The photos on the website are touched up to say the least. Very dissappointed. Tall and heavy, nothing like the sexy looking pictures on the website. Looked tired on the day and did not make an effort dress wise.

The Story:

Arrived at the flat on time and led into room. Was bitterly dissappointed with looks and dress compared to photos. The aganecy was told 1 hour yet when I arrived the girl demanded to know how long I was going to stay. At this point I wanted to go and should have. After handing over the money she unsexily and hurriedly removed clothes. She told me to lay on the bed. She decided to bluntly tell me what her likes and dislikes were. (I thought hold on a minute Im the punter). She then told me I was not to suck or put my lips around her breasts although I could have a lick. (The licking extended to the type you do to an ice cream). She then told me to rub her clit in a certain way, and I was stopped from doing it in any other way. Was told abruptly not to finger her because she was prone to infections. She asked if I minded kissing which I said no. She kissed by opening her mouth and sucking my face.

BJ without was ok although kept wiping my cock with wipes every few minutes

She told me not to get to close without a condom because she got pregnant very easily (no word of a lie). On with the condom and I couldnt wait to get it over with.

She said she was tight because she sometimes got issues down below.

What a terrible time and a let down. I had looked at this girl for a long time on the site before taking the plunge.

argghhhh
