The Premises:

Victoria House. Very good establishment with excellent changing and shower facilities. Staff always polite and helpful. Car parking at rear is discrete but entrance through archway is rather tight!

The Lady:

Summa is a very attractive girl mid 20's, great body with caramel toned skin. She looked much better in the flesh than her website pictures but I understand these are to be updated.

The Story:

Started with a nice massage and it was a real turn on to see see Summa in the mirror sliding up and down my back and using her body and breasts to good effect. I was then invited to massage Summa and really enjoyed caressing those magnificent breasts. It was then time for covered oral with some nice eye contact and then on to the sofa for the main action. Summa lay back for some pussy licking and then it was mish and doggie to finish. All over too soon. Overall a very enjoyable experience with a gorgeous looking lady, which will have to be repeated.
