The Premises:

Really nice apartment, shared with another girl, near Paddington station. Felt totally safe.

The Lady:

Lovely long bleached blonde, great body - all in the right proportions. Very friendly. Beautiful smile, nice face, fantastic arse, nice boobs.

The Story:

Went for a shower and then met her in the bedroom; she was dressed as requested (thanks Susan).....I'm sucker for fishnets!!

She couldn't wait to rip my towel off.

We kissed passionately (GFE style), just how I like it. She then ventured down very quickly and gave me a really good BBBJ; it really was fantastic and she did it for ages! But I wanted to taste her pussy, which she was keen on too, but she climbed in to 69 and carried on giving me head (excellent!). She tasted fantastic, and her juicy gorgeous arse did too! I ate her out for ages, but then was busting to F her! and boy did I do that, in loads of positions. She said I was a 'big boy' but she said she liked it!

This was a very good experience! The lady I went for was busy so I was relying on Susan to recommend someone and boy did she deliver....she always does!! Thanks Susan!

I might try the duo next time!
