The Story:

Couldn't wait to get me hands on this girls goodies.

On arrival did my best to resemble an idiot as usual but she is just stunning.

Let her take the lead and did as I was told and we were soon having fun.

Got to grip with my self at last and started suggesting things.

She loves 69 and once on her back with her legs in the air she loves being fucked. Pumping away in her tight pussy soon had me coming and it was just great.

An excellent hour with a lovely girl for a really nice punt.
