The Story:

Nice massage done properly with oil, talking away the whole time making a relaxing atmosphere. Then she climbed on top for some body to body. After turning over she positioned her self some her fantastic breast where there to be nibbled on. Then on to a covered BJ while able to finger her lovely arse and pussy. Then with Chloe laid face down on the massage table I straddle her. Very nice position as you can look in a mirror. Then over and in to the missionary for a bit. Then with the table head slightly up. An oily finish with Chloe positioned so that a fingering of a very wet pussy. It all end to soon but was excellent while it lasted.
