The Premises:

Small flat in suburb of washington. Easy to find with sat nav. Plenty of parking. Bedroom was clean and small but fine.

The Lady:

As per website, a true red head. She not the prettiest notorious have but definatley the dirtiest! which was what i was after.

The Story:

Long story short...i was a bit pissed off and bored. Anyway at fairly short notice an appointment was made(thanks nat). On arrival straight upstairs, undressed and onto the job in hand. Victoria is quietly spoken and looks innocent, but hell she knows how to press the right buttons. She's very happy to accomidate any requests..Just as well i only booked 30 mins as i was well and truly fucked by the end. Finished off with 69 and shooting the lot straight down her throat.

Many thanks Victoria...
