The Premises:

as ive said before the place is very clean and very nice. plenty of parking right opposite or round the corner. and i felt very safe.

The Lady:

well wot can say apart from wow. two stunning blonde bombshells both very busty, silm and very horney looking. wot more could a man want.

The Story:

as uv probally gathered i opted for a 2girl massage which then turned into heaven. both were carressing me and then caressing each other. they started kissing very passionately and playing with me. scarlet then lay down and paris stradeled over her face in the 69 position, they both started licking and playing with eachother.oh my gosh wot a wonderful site.once finished both then gave me oral, 2 tonges on my hard mmmmmmmmm. to finish i bent scarlett over whilst she played with paris with her vibrator. wot a complete mind blowing experience that i have not stopped thinking about. a dream come true.
