The Premises:

Well known establishment, probably best in the area in terms of parking, discretion, professionalism and quality of ladies available. Run by a very capable lady who looks after her clients very well. Decor is neat and tasteful and at all times I felt secure.

The Lady:

Phwoar! I'm a real sucker for petite ladies and Julia (Jules) is a gem at that. Usually when you get a description of a lady as "petite" it ends up being petite in one dimension only. Jules is a genuine size6/8, with perfectly sculpted proportions. Facially very pretty time has obviously been very kind to her. She was wearing her hair in a cute tiny bob which made her look very sexy indeed. The black basque and high heels didn't do her any harm either!

The Story:

I have come to enjoy the company of a lady more and more over the years, and it's not just about having a quick punt, thank you ma'am for me anymore. Jules fulfils that to a tee - she is an adept conversationalist and is so delightfully easy to get along with it was uncanny. She's smart, sexy and obviously knows how to relate to her clients.

BJ was covered with plenty of tongue flicking over the right areas. She has the softest skin which loves to be caressed. The main event was filled with sultry moves from her which ended up with an almighty climax with her legs wrapped around me.

The whole experience was a true GFE and is best suited if you're after a no-rush, relaxed and sensuous time with a very sexy lady.

Am already looking forward to becoming a regular.
