The Premises:

Brand new flat in the Hub. Modern and tastefully decorated.

The Lady:

Brooke is an absolute blonde stunner. 5'7" tall, size 10, D sized chest, shaved, etc. She is very attractive indeed and well spoken.

The Story:

She only offers sensual naturist massage and HR which costs ?50 for half an hour. Very sensual and good fun. No FPS on offer.

Her speciality however is fab and deep OWO which is beautifully administered - shaft, head and balls included. She allows you to cum in her mouth and keeps your cock in her mouth until the last drop is out and then discretely deposits your sample into a tissue! This has to be one of the best OWO CIMs I have ever had. It is an expensive extra at ?40 but IMHO well worth it as she really enjoys doing it SO well.

One hell of a babe - she would be totally amazing if she was happy to fuck but draws the line at massage/HR/OWO CIM.
