The Premises:

respectable part of leeds (moortown) with parking. Ground floor flat with intercom system. Clean and tidy and shower facilities available.

The Lady:

Wow, very nice warm welcome. She is not a BBW I would say she is 14/16 with all the curves in the right places. She has fab come to bed eyes and a very tempting smile. Nice big boobs and nice bottom. I knew we were in for a nice time not only because of the previous reports but because of the way she presented herself, well dressed, sexy and nicely made up. No perfume I am glad to say.

The Story:

We kissed passionately in the doorway and then into the bedroom where she continued to kiss me and undress me at the same time. I was well horny I can tell you but so was she. French kissing then she knelt down and took me in her mouth. God that was bloody good, she knows how to give oral, it was great. We made love just like we had known each other for years and the experience was mind blowing.

We chatted like old mates and then passion took over again and we ended up in 69 and then more love making. I found the whole thing very natural and can honestly say she made me feel at ease. This really was a girlfriend experience.

Patricia is a professional, clean, safe, fun loving lady and yes I will be seeing her again and again and some more.
