The Premises:

Lives in a small flat - one room for punting, small bathroom with used wet towels folded for next punter; other sitting room a total mess and obviously where she lives .

The Lady:

Large frame in real life, enhanced breasts, fully shaven, relatively clean (but not perfect)

The Story:

Really bad punt - and hence this report. I've used AB before but this has driven me to write this report. Arrived and offered glass of wine - to mix with her smokey breath. Started by giving me a BBBJ but kept putting in and taking out a small piece of chewing gum - really unpleasant to see. However tried to suck her nipples (a real favourite of mine for large breasts) and - guess what - no. I couldn't believe it. Then tried to go down - was allowed for a very short while - and again - no. This was getting silly. So back to BBBJ. In the end I didn't even shag her - nor cum. Just left. I know she gets ?35 of the hourly rate of 150 - don't know what they make on the half hour but obviously it wasn't enough to provide any level of service. Giving up on the agency - not again. Ever.
