### The Story:

She's fairly tall, has a good command of English and from Latvia. Facially not as attractive as the website photo's suggest, slightly older looking but ok nether the less. She does have a magnificent pair of natural breasts, soft to touch and responsive nipples. The website says they are 34FF she disagrees and saying that she's a 34DD, either way they are the best tits I have the pleasure of playing with. Started off with BBBJ moving into 69. Her pussy was shaven and tasted sweet, it was not long before I was emptying my load in her mouth. We chatted for a while before moving on to round two, which started with her on top whilst I sucked on those magnificent tits of hers. Although not as pretty as the photos (when are they ever) she has a superb body and a must for lovers of big boobs.
