The Lady:

A very very good looking lady with a superb body. She was smartly dressed and we had a drink outside as it was a lovely day before retiring to the room she had booked. She is recovering from an illness and she said that she had only just begun to go to the gym again - Tara - you looked great to me!

The Story:

The activities began quite slowly as we had plenty of time and I certainly did not want to rush it. She undressed herself slowly and then proceeded to undress me. A wonderfully sensual BJ (uncovered) followed by me returning the compliment and she very quickly came twice (she does get very wet and commented that the sheets would be soaked if I continued). This was my first and, I hope, not my last visit to her and I played it very safe when the real business took place. What I did like about her was that as well as wanting to please me she also wanted to please herself and placed a pillow where it would help to hit her G-spot and I think that we both had a good time.
