The Premises:

Place was ok. Parking right outside the establishment, not discrete at all. In fact, the sign actually said "For Soft-touch customers only"!

The Lady:

I'm not sure if her name was Heather, so I may have the wrong girl. She was about 5'2", slim (size 6 or 8), blonde, fairly pretty.

The Story:

I booked 30 minutes. As soon as I got into the room, she asked me to take a shower, and she would be back in 5 minutes. I then waited 13 minutes for her to come back!

When she got back, I said I wasn't bothered about a massage, but let's get straight to the fun. She agreed and put a condom on and gave average head. Then she told me her legs were too sore to go on top, and lay down for me to get on her. Luckily I don't mind mish, so I did that.

During the sex, she often stopped and said I pushed in too hard, and kept stoppong me to check the condom. She stopped after 10 minutes and said that the 30 mins I paid for only included 10 minutes of sex, and the rest was a massage!

During sex, she just lay there. There was no kissing or any interaction.

Eventually, she gave me a handjob to bring me off. I only had 10 minutes of oral and sex, and 5 minutes of a handjob, despite paying for a full 30 minutes.

I am never returning to that place again, and definitely do NOT recommend it.
