The Premises:

Private flat in Catford behind a supermarket with discreet side entrance. Easy to find although Alice's English is not great so she had to come out and meet me but that wasn't a problem. Bedroom is spacious and doubles up as a massage room. Nice double bed and massage table with anatomy posters on the wall.

The Lady:

Mature Chinese lady, very sweet and as a previous punter commented. Great body for her age. She has gorgeous breasts a tight bum and the most gorgeous pussy. She has a little belly but that to me is very sexy. She has black shoulder length hair and was always smiling. The glasses did it for me and I asked her to keep them on. I really wanted to meet a mum next door type and she ticked all my boxes!

The Story:

As the previous report says (and what made me want to visit) was that Alice offers a rigorous massage and hand relief I'd had a crap week and wanted a good hard massage but seeing her I went for the full hour with sex. She smiled and immediately unzipped my jeans and stroked my growing member. She stripped but I asked her to keep her bra on I wanted to feel those gorgeous breasts later. I went to the bed and she started licking up and down my shaft softly and chewing and suckin my balls. Gorgeous.No hurry. She kissed my nipples and massaged me then worked on my balls more. I had to unleash those breasts and they are gorgeous better than many girls 10 years younger. large B or C cup. Gorgeous nipples I kissed them eagerly! Had to taste that pussy so laid her down she opened her legs and again her pussy is tight like a girl 10 years younger! and tasted gorgeous. I kissed sucked and buried my tongue deep. Alice buckled and giggled and said fuck me! I wanted a blow job first so fed my stiff cock to her willing mouth. She slipped on a condom and sucked me deep and hard! fantastix! I pulled her hair back and watched her manically suck me. I needed to fuck her though so slipped it in and we fucked in missionary till I came inside her...awesome

A good clean up and cuddles. She offered a massage and led me to the table for a professional massage which hit the spot. I could feel those lovely breasts stroking my body. Massage was hard and thorough. She turned me over and worked my front gently teasing my cock which responded ;) she smiled and said sex? how could I not! lol little blow job, breast relief then she knelt on the bed

wanting me to fuck her doggy! good hard fuck and shot inside her again. She then cleaned me up and massaged my back and neck, def not a clock watcher! I then dressed and we said our good byes. I had a fantastic hour and will def be back. She may not be 21 but what a service thank you Alice x
