The Premises:

Usual Newbury Massage place.
in off the street next to the motorbike showroom.
Buzzed in through the door and up the stairs.

The Lady:

Jodie and Katrina were both available.
I had seen Jodie here before so was keen to see someone different.
I was so glad I did....!
Katrina is abut 5'6", beautifully slim, gorgeous face, amazing body (boobs have been enhanced but they have been done perfectly....!)

The Story:

discussed what I was after.
onto my front for a nice massage (nothing too special but then again I wasn;t really there for the massage!).
turned over and she oiled my cock up and started rubbing as I pulled her in for some french kissing.
i started on her grogeous tits before she pulled away, putting a mac on me then sunk down to take me in her nouth.
I didn;t want to cum too soon (as she was very good!!) so pulled her up for more kissing and more caressing of those amazing tits...
I offered to go down on her so she lay back - its the best sight for me - looking up between a gorgeous ladies legs about to go down on her...!!
she came quietly but she did cum...
quick cuddle then it was my turn again!
she straddled me first so I could keep kissing her and still get to those tits (did I mention those before!?) then we switched to doggy.

all in all, an amazing punt with a extremely gorgeous, sexy, very tactile lady.
I hope she stays at newbury massage for a while (she lives in oxford) as she is one of the few ladies I have seen I wold gladly go back and see again and again.

enjoy her....
