### The Lady:

Gorgeous sexy looking long haired brunette. Spanish origin, she appears to be extremely popular here but despite being busy she gave me her full attention. This was my second time with her after quite a long break.

### The Story:

Wow - she has a very seductive way about her on entering the room its no wonder she seems to get picked so often at this place. French kissing quite light but with such a gorgeous girl this seemed to add to the excitement as she fluttered her tongue and mouth around mine. OWO & CIM on offer at extra ?10 + ?10 which I declined this time. As fast or as slow as you like - she let me lead which is good for me. Lots of stroking and caressing and light FK - marvellous. Finished in mish looking into her eyes as she whispered 'fuck me ....'. Terrific.
