The Premises:

The meeting is outcall at my hotel room in Liverpool street.

The Lady:

She looks almost the same in the picture, it just having a bit shorter hair, she said she had a hair cut recently. and also slimmer than I thought. Overall looks good.

The Story:

Well, I book somaya at 2pm today before I goto my conference at 4. She arrive 5 mins late. When she walked into my hotel room at 5 past 2, she gave a big hug and kiss on my cheeks then softly say sorry near my ear. Thats really make my whole body soft and I knew I was in for a good time.

I offered her a glass of wine then after a brief conversation it was down to business.

We started to kiss the she unzipped my trousers and gave me a really good blow job ever experienced, I asked if I could cum in her mouth and she winked at me thus triggering a gush of man juice sown her throat.

After some more wine and chat I soon had somaya on her back, I just loved her sweet little pink pussy, I wont go into more intimate deatils but I will say she is one amazing fuck.

This was a truly great experience for me.

And before she left, we took some pictures together as well.
