The Premises:

A very pretty country cottage in a beautiful part of the country. It is a long way from urban areas but well worth the trip. Very safe and very clean. Parking to the rear of the cottage. Excellent directions given and no trouble finding it.

The Lady:

A slim, long legged,lady with long blonde hair and a wicked smile. Not large breasts but what they lack in size they make up for in sensitivity. (You should hear the chuckle that comes from Lara when the left nipple gets some gentle attention). Good conversationalist and puts you at ease straight away. She is far better looking than on the photos on her website.

The Story:

Lara meet me at the door wearing a lovely floaty summer dress and tan stockings. Just right for some summer afternoon delights. After a little chat we had a cuddle and I could feel her lovely pert bottom through the thin dress. We soon undressed each other and lay on the bed for a gentle start of some foreplay including some nice french kissing. I started by giving Lara some oral on her lovely sweet pussy and she asked me to insert a finger in and out gently at the same time. This brought some lovely gurgling from Lara who obviously loves this. We soon got up for some cowgirl with rests in between with me deep inside her. After some more kissing and cuddling we finished with me in missionary. We had many laughs during the meeting and I have never had so much fun from a shag. Lara is a lovely lady and I thoroughly enjoyed my visit.
