The Lady:

Lauren is a mature well rounded lady with an amazing pair of boobs, excellent sense of humour and full of good stories.

The Story:

Lauren is very welcoming but can be hard to get hold so persist if you do not get an answer first time. Like all my favourites she specialises in OWA and how! In Lauren's own words she enjoys giving a blow job and can sense when she has you near to coming. She takes particular pride in seeing how long she can prolong the process. Another Lauren catch phrase is "I am the serial swallower". If she likes you then its a case of how much have you to give!
