The Premises:

Rather shabby downstairs but much better in the "work rooms" upstairs. The front room, which we used, is very large, clean and airy. Plenty of free parking nearby and on a bus route.

The Lady:

Early to mid twenties Ango-Asian girl. Light olive skin which is as smooth as silk. Beautiful figure with gentle curves in all the right places. Ample but not overlarge breasts with lovely dark aureola (did I spell that right?) Best of all a very friendly and relaxing nature.

The Story:

I saw a girl called Pinda at Le Chateau in Seven King's about 18 months ago. Although Pinda says she did work there at that time I thought that she was a different girl. I rembered the girl at Le Chatateau as having a magnificent pair of Bristols, whilst Pinda today, whilst ample did not seem as large as I remembered. However we had a pleasant and unhurried session together. I've since been back to Pinda for "round two" and knowing who I was going to meet found the session much more enjoyable. Her body as a package is truly gorgeous and that coupled with her lovely attitude makes for a very good session. Thank you Pinda, I will be back.
