The Premises:

The flat is in Covent Garden, it is, indeed, a great place, people are nice and the girls lovely.

The Lady:

She has the sexiest figure, and the cutest smile also, very well shaped body. I arrived at the flat on time even if i gave a very short notice when i called. When I walked in to the room she got dressed with a school-girl outfit, how possible to resist her.

The Story:

Gemma seems to be a genuine submissive, it would not be fun if she was doing it against her nature. I asked her to present her arse and i played a bit with it, then i moved my attention to her tits. I had a lot of fun with her nipples then i wanted a blow job and she pleased me as well. Also, Gemma had no problems when we had sex, changed many positions and gave me a lot of pleasure. Gemma is without doubt a great girl.
