The Story:

The poor girl was tired since she'd been working the previous evening - she was only in as a favour to the manager. Never the less, she did a great job. Nice back massage, then covered oral in the 69 position, with me looking at the most perfectly formed pussy. Then a bit of cowgirl & missionary, finished off by a really excellent hand job (so many WG's stop the second you come, but not Marie). The only downside was she didn't kiss and tonguing her pussy would've been ?10 extra. However, for the money (?20 for room & ?55 for Marie) she was outstandingly good. She's a lovely girl, easy and relaxing to talk to, not the sort of girl one normally finds doing this. Highly recommended
