The Story:

Zoe appeared relatively new to the game and was therefore a bit awkward when we started the action. Having said that it became clear very quickly that she was up for most things and as a consequence we had a very raunchy no holds bar session.

She is a very sensual woman and knows what she wants and tells you. She is determined to take as well as give pleasure so take your water wings and your beta blockers and be prepared for a hot session!

She is not a clock watcher but does need to pick the kids up from school so time your visit accordingly and treat her well.
