Dressed in thigh highs n stockings and a little number just about covering her ample charms...

With a little surprise waiting for me....(see below)

### The Story:

Had been chattin with the lovley Sarita in the Punternet chat room for a number of days and found out we had some common interests (All will be revealed)

Anyways this particular afternoon i grasped the opportunity to meet up with Sarita.

Of late i have been drawn to seeing ladies of a more dominant nature and to this end Sarita offered her services.

I had also expressed a interest in been taken by a lady wearing a strap on... Again Sarita stepped up to the mark and offered her services.

On route to the hotel we were exchanging texts culminating in the last one from Sarita "my cock is waiting for you..." FFS how that gets your ticker going i can tell you

Greeted at the door by the lovley sarita dressed as above wielding a (chuffin huge strap on..!) I had asked for beginners/virgin sized lol. Sarita just laughed wickedly.

Showered up and found Sarita waiting on the bed with her cock proudly on display.

What happened over the next hour or so will remain with Sarita n myself, suffice to say Saritas array of toys and equipment she had brought for our appointment was used with great enthusiasm and persiverance on my part..lol

The appointment culminated in me wanking off all over Saritas ample charms(where else)and mutually rubbing it in chuffin fantastic.

Sarita Sorry my FR has taken so long to submitt.

Catch you soon

Cheers Coldy
