### The Premises:

Scorpio Leisure, 42 Albion Road, Edinburgh. Reception changeable!! Generally clean and tidy, girls in the lounge usually chatty and obliging, depending on who is on! All usual facilities on offer.

### The Lady:

Erica is about 5'7 without heels, curvaceous, great tits, gorgeous eyes, very short blonde hair, elegantly dressed, very chatty, intelligent and knowledgeable, not your usual sauna lass, new to the job - comes across as a bit of 'poss totty'!

### The Story:

Do not allow first impressions to dictate! I was angling for Samanta who I had encountered before but she was feeling unwell and was asked if she wanted to go home before I had the opportunity to ask her through. None of the other girls appealed so having paid my money I asked Erica if she would like to show me through. She is the type of lady you would expect to meet in a pub, real 'girl next door' type of look but incredibly sexy and I was intrigued to know why she was here. Usual story, bad relationship, looking to get out and needed money fast! She was professional but relaxing, left me in the room to sign herself out. On return she asked if I would like a massage, which I accepted. She slipped off a classy black dress to reveal lovely matching panties and bra with amazing swelling breasts she straddled my back and massaged me top to bottom with the skill of a professional masseuse, chatting all the time which was really nice. She asked if I would like to turn over and massaged my front, she asked if I liked to kiss, we did and it was sensational, can this woman kiss! After kissing for a while she kissed my neck and made her way down to my cock and gave me the most amazing owo whilst wanking my cock and balls at the same time. By this point I was so mind blown and I came whilst she flicked her tongue over the tip of my cock which was fantastic. I asked if I could lick her which she readily agreed, she has the sweetest tasting pussy I have ever tasted. I slide my fingers inside her and she came all over me quite quickly, realising she liked this I quit the licking and concentrated on the fingering, what happened next was the most amazing thing I have ever encountered. She gushed all over my fingers, no faking it here guys she was soaking and fucking loving it, I made her come six times. My cock was hard again so she sucked me rock hard and slid on a condom and I fucked her in ever position we could muster, I came again which is unusual for me. After I had came, no jumping off the bed, she kissed me for a while then took a shower in front of me which was very sensual, if I thought I could have come

again I would have kept her there she was sensational. Erica is a lovely genuine person and an amazingly sexual, sensual woman so much so this is my first report, I have always read them before but never reported. She looks so innocent! I hope she stays at Scorpio, I can't wait to see her again.
