The Story:

I opted for the two girl service, two lovely ladies came into the room, stripped and gave me an assisted bath. I had wrongly assumed that both would be giving the massage but I was told that would only be if I was paying both ladies for extra services, otherwise one would leave after the bath.

My reservation was I was told I was not allowed to touch the ladies.

I decided just to have the massage as unless I paid the extra ?80 for a "full service" then no touching would be allowed. This was a shame but the massage was superb, Jenny was excellent, incredibly polite and totally amazed when I gave her a tip, she said she hadn't done anything. I would come back for another bath and massage but there are much keener pricer establishments in Northampton if you want the extras!
