The Premises:

NG House Manchester. Bright and light, friendly and efficient. Good parking. There?s a lounge upstairs due for official opening shortly. The reception area is large and comfortable, the rooms are excellent with good showers, mood lighting and the overall feel is good. After choosing Nadine from about 5 other girls, I had a coffee and a chat with her in reception. I don?t use establishments very often, usually preferring independent ladies, but I think I could become a regular here.

The Lady:

Nadine has stunning good looks, lovely eyes, great legs, a very desireable body and a personality that lights up the room. She has a full body tan, a couple of intimate piercings, big nipples that respond to attention and a very lickable pussy. Wearing a short black dress and a thong, she was a real head-turner.

The Story:

Beautiful, sexy, friendly ? none of these words is adequate to describe this young lady. She?s normally based in Newcastle (by the river - known as Lucy up there) but was in Manchester on a visit and I was fortunate enough to be her 1st Mcr client. It was my first trip to the establishment too. Lucky me!

My first expectations (already high on seeing her) were massively exceeded during our time together. Following on from fantastic kissing, her oral skills were so good that we never actually got around to sex - so that gives me an excuse (if one were needed) to see her again (and I will). I paid an extra ?10 for CIM (which isn't always available so don't assume, guys). During our time together Nadine displayed a real interest in me. Her conversation was effortless and I found myself talking to her as a friend very quickly. She was completely happy to go with my requirements, and at my pace. I'll watch out for a return visit from her and will look her up on my next trip to Newcastle. Brilliant.
