The Premises:

The flat was found easily with the few simple instructions given. It is in a 'safe' area with free parking a few yards from the discreet private ground floor entrance. The flat was clean and the bedroom prepared nicely for the meeting.

The Lady:

Sandra 53, 5.4 size 16 long natural blonde hair 44dd and Sadie 42, 5.5 size 16 long hair and 40d !! Both are Buxom ladies.

The Story:

Both ladies made me feel instantly welcome and made to feel as though we'd known each other for years. They both enjoy playing with each other and used their tongues on the other exceptionally well before turning them onto me and again both are expert in this. Things went on from there and both ladies enjoyed the meeting as much as I as we all orgasmed during the time and I lost count of the things we did.
