The Premises:

clean pleasant massage room and lounge. I was made to feel very welcome by the receptionist who made me a cuppa and sat and chatted to me as the girls were busy at the time of my arrival.

The Lady:

Well where should I start. I wasn't fussy about which lady I saw (out of the two who were working) as both descriptions of them sounded appealing. But when I saw Melissa I was bowled over. Absolutely beautiful girl with big big natural boobs and lovely long blonde hair.

The Story:

Started off with a lovely massage and had a general chit chat. Melissa is a down to earth girl next door type (except when it came to the dessert that is).

Im too much of a gent to go into fine detail but I will say she gave me the most amazing oral (covered-she is a safe sex girl) until I could take it no more. I had to get up there and give her what for. Amazing sex in doggy position- Melissa rode me like the wind until I finally (much too soon) shot my load.

Thankyou Melissa for a wonderful time. I shall be back
