The Premises:

Felt a little exposed going in, stood out on the main road, but wouldn't really have wanted to try the back way in as it was down a little alley, so.....

Only gripes, they used to have a menu on the wall - what happened to that. Also, other lady (justine) wasn't working, but I wasn't offered a choice. I'd

The Lady:

Mature, brunette, unshaven, size 14-16, F (yes F) cups. After we'd agreed a service, I also saw the other lady (justine) who wasn't working at the time. Dissapointed I was offered a choice as to the lady, although I'd have been equally happy with either.

The Story:

Paid ?60 for owo (not CIM - don't think she did this) and a TW finish on the tits. Wasn't going to go for that, but when I saw those tits, well. I blame internet porn - it's making me far too kinky. Amber was very accommodating, taking it slow when I wanted to, giving a great massage and great owo. Didn't feel rushed at all until right at the end when another punter turned up wanting a 2 girl (and of course I was hogging one of the girls). I didn't mind though, I was ready to finish and far be it from me to stand in the way of someone elses fun. Ifn fact Amber talking dirty about this 2 girl was enough to finish me off.
