The Premises:

decent-looking apartment in city centre. call lane area so quite central and decent-sized car parks nearby.

The Lady:

late 20s. natural figure with a lovely pair of C-cups poss D.

about 5ft6 / 5ft 7 tall. long blonde hair.

very well presented package and was not surprised she's been a model in a former existence

The Story:

helena has a touch of class about her. have been spending more on punts recently and thought i'd invest some cash on someone i was genuinely attracted too rather than the same amount of cash on a couple of lesser attractive mortals should we say, lol.

being with helena did feel like a girlfriend experience. very warm sensual person but also struck as just been a nice lass who i could talk to about anything!

in the bedroom shes a tiger too! shamefully I led back a lot and let her do the majority of the work but she clearly enjoyed it so everyones a winner. good oral technique and likes oral reciprocated too which is a must for me!

great punt. well worth seeing again (and again!)
