### The Premises:

Aaricia has a basement flat not far from Paddington. The agency gave clear directions and it was easy to find.

### The Lady:

She is sexy, Asian, and had a real naughty look about her which I really like.

### The Story:

Aaricia is one kinky girl make that extremely kinky and I loved every minute I was with her. Her blowjob was excellent, she rimmed me, and she also was quite dominant with me, twisting my nipples, some biting, spanking, and lots of french kissing to go with it. We fucked in many positions, licked over each others bodies, and she had no problem getting me to cum twice. She says she is going back to her country soon which is a shame, but I will keep lots of horny memories of her, and try and see her one more time before she goes.
