The Premises:

This really is a superb and discreet location near Holborn Tube station. It is very clean and modern inside and is decorated to a high standard.

The Lady:

Nadia is an extremely attractive UK Indian babe with a lovely slim, but busty figure and a gorgeous little bum. She is exactly as described on the Indian palace website.

The Story:

The session consisted of gentle stroking and covered oral, followed by sex in the doggy position and a slow hand job finish. All were performed excellently with no rush.

Indian girls have always been a favourite of mine and no wonder.
