### The Premises:

Location is a little tricky for first timers because of traffic when on mobile. Opposite a garage there is a yard with iron gates and the entrance is around the back.

### The Lady:

Pretty brunette in early 20s with nice deep voice. Lovely regional accent and offers a wide range of services. I opted for a few.

### The Story:

Great kisser and enthusiastic. A lot has already been said by other punters. Real value for money and as i was not able to access a service, very keen to return money to me! Ever happened to anyone else? On my short list for returns as and when i can.
