The Premises:

As per previous reports on VH. A very professionally run establishment, friendly and welcoming reception staff with an accurate, up to date, web-site. The car park entrance is difficult to negotiate and extreme care is required to avoid scraping your vehicle on the tight entrance.

The Lady:

A beautiful blonde 21 year old lady. Slim, pert boobs 34B and an arse to die for. The photos on the web page don't really do her justice.

The Story:

Agreed the format off a menu. Opted for the works including an A massage for an extra tenner. Started with an oil massage on back with Ava stripping her top off and rubbing her delectable boobs on my back and tickling my balls and perineum. Then over on to front where she grabbed hold of my already excited cock and rub her tits over my face allowing me to kiss her nipples. This was followed by a reverse massage and then Ava performed a strip and pussy show, fingering herself to orgasm. A truly wonderful sight which nearly had me cumming. She then finished me off with a simultaneous BJ and A massage. Quite mind blowing - she knows her job. Criticisms? A few but limited to the fact that Ava made it obvious she did want to french kiss, wouldn't allow finger fucking and doesn't do reverse oral - which is a shame and frustrating given her most inviting pussy. At the end there was a bit of a rush to get the room ready for the next client; the establishment was v busy with a queue in the waiting room. Just shows how popular this venue is. All in all a most pleasurable experience with a truly beautiful young lady who knows how to pleasure a man. I left with a huge smile on my face.
