The Premises:

Usual place with the lift!

Always seems clean and well presented to me.

The Lady:

Early 20's Eastern European. Dark hair and eyes, almost had an almost celtic look about her. Stunning figure; maybe a 34b. Nice small nipples.

The Story:

Been here a few times and have always seen British girls. I've always tried to steer clear of places with eastern European girls because you never know what went on to get them there. Could be dodgy. Cuddles anyone?

Needless to say Doona is one sexy woman who leapt on me when she entered the room.

Clean, no signs of drugs etc and this dispelled any worries that I had.

What wenty on will remain between us but what a treat!!
