### The Premises:

Very nice and spotlessly clean parlour, easy to find and the receptionist made me most welcome. this place is a real Gem.

### The Lady:

Hayley is a stunningly attractive Blonde in her middle to late twenties. Fantastic figure and beautiful face. The thing that makes Hayley special is that she makes you feel you have known her for ages, fantastic Lady with a great sense of humour.

### The Story:

While I was still in the shower Hayley came into the room and helped me to dry off. Nice touch! No need to wrap myself up in the towel as Hayley made it very clear she wanted to get her hands on me.

Boy what Hayley does with her hands is amazing. She offered me OWO and what she does with her mouth is incredible. I was stood up when she started and had to tell her that I needed to lie down. My knees were giving way.

Ten minutes of the best oral I have ever had followed, I suggested that I returned the compliment and Hayley smiled and said " I thought you'd never ask"

After a few minutes a very excited Hayley spun herself round into the 69 position and all Hell broke loose. Hayley is very very good at oral and seems to enjoy recieving it just as much.

I realized that we had only had ten minutes left so reluctantly I broke up the 69 and asked Hayley if we could move on.

Best decision of the day the Oral was brilliant but the sex was out of this world. Hayley is very very inventive and we had an a fantasic 10 minutes of sex in more positions than I knew existed. No knock at the door and certainly no rush from Hayley.

An incedible 30 minutes spent in the time of someone who clearly loves her work and makes you feel like she loves you.

Thanks Hayley I will be back.
