The Premises:

Much-described: easy free dedicated parking; a covered porch from which one communicates prior to the lift being sent down; and quite a number of nicely redecorated rooms - all on a second floor over a restaurant in a rather lovely terra cotta building (Edwardian?) which is, essentially, triangular.

The Lady:

Poppy is billed as mid-thirties, but looks younger (what a change!) and has long blonde hair and a good body the highlight of which is a 36 or 38 GG bust (all natural). Carly is early twenties, slim, with medium blonde hair, good long legs and nice pert titties. She has prominent pussy-lips. Both wore stockings and sexy high heels.

The Story:

This was one brilliant session, much of which is hazy in my mind. For starters, I asked Poppy to do a strip while Carly went on her knees for OWO (extra ?10 each on top of the standard for a 2-girl of ?80). The room had three large mirrors, so this looked great from any direction. They then swapped roles. Both do DFK, take lots of fingering, and are generally very enthusiastic and friendly. Carly gives the best DTOWO that I've ever received (and I've received some over the years, if I say so myself), while Poppy's tits are a wonder of the world. I had her in cowgirl, with them hanging down over me and Carly lieing alongside; then in mish while she lay back on Carly; then Carly while she rested against Poppy. Finally, off with the rubber and much cum over Poppy's tits and neck while Carly lay alongside and watched.

Bloody fantastic! By the way, I believe that Poppy only does one shift per week: on a Friday, while Carly does about 3 or 4. In any event, check it out - it's not to be missed.
