### The Premises:

Described many times before - very well appointed basement flat, very near Earls Court Tube

### The Lady:

Stunning dark haired woman with fabulous body. Very enticing.

### The Story:

Jessica put me at ease instantly as I was running late and only just made it on time feeling hurried and harried. Had been careful to think through what I required as on a previous visit I had been unprepared and became tongue-tied. I would recommend being clear about what you want.

Jessica listened and very quickly understood the scenario and was happy to oblige. (A schoolgirl in detention who catches her teacher looking up her skirt and playing with himself, threatens to report him unless she does what she says...) Jessica played the role with skill and imagination, pushing my limits and teasing me mercilessly.

I had to crawl round on the floor, kiss and worship her stockinged feet and gorgeous bottom. I was subjected to an humiliating OTK spanking and anal intrusion before being instructed to finish on her magnificent breasts. Whereupon I had to clean up the mess with my tongue.

Jessica was a delight throughout, enthusiastically developing the scenario so that it contained surprising and wonderfully sexy elements that I had not thought of.

A fabulous experience that left my legs like jelly and a fixed grin on my face for the rest of the afternoon.
