The Premises:

The flat was clean and - with a quick phone call - fairly easy to find. It appeared discrete and parking was secure and free in a car park just a minute away.

The Lady:

Paris is a curvy, clean and sexy lady! The pictures on the site are a fair reflection of this attractive woman.

The Story:

I have been to see many escorts over the years: This is the first time I have taken the time to leave a report. Paris is very easy to be with: She has a lovely manner which is very relaxing... and then she turns on the sex appeal! She gives the impression of genuinely enjoying her work and is very good at it!! Paris does not rush the appointment - she obviously takes her time to understand and please her customer. I would recommend spending more than half an hour with her.
