### The Story:

Arrived and was taken to my room after deciding to see Tiffany of the 3 girls offered. I lay on bed wearing my just bought purple lacy thong awaiting Tiffs ARRIVAL. She arrived and immediately took her dress off revealing matching bra and thong panties NICE. Tiff started with a massage on my back and tickled my balls through my panties she flipped me over and carried on stroking my cock through my panties it was now getting very hard so she slipped my panties off and started sucking my cock we had agreed OWO and it was fantastic. I was rigid by now and wanted to FUCK her she lay on her back opened her legs revealing a shaven pussy, it was on with rubber and away I went her pussy is tight and she was very responsive all in all a great shag. Next time I may go for reverse oral and ask if I can shoot my load in her mouth because they would have just about made the punt perfect not sure if she does this though.
