Sienna works in a nice apartment in a nice neighborhood.

The Lady:

Beautiful girl, with such a sexy smile. I wanted her from the moment i walked in. A very nice girl indeed. I would like to have her on my arm any day. That smile, that wonderful sense of humor and a body to die for. Absolutely gorgeous. Finally. Talking about her: the pictures are recent and she looked better in the flesh, was dressed with with the sexiest outfit, sweet and friendly has a hot side that was a pleasure to discover.

The Story:

There is little I can say about Sienna, she is an absolute gem that deserves to be treated with great respect and care.

Started off chatting and caressing each other before going down on her which she seemed to enjoy then a little more caressing before she gave me a very vigorous BBBJ (She is a great kisser and her oral without is mind blowing). I suggested we relax a bit to let the old man cool down and while kissing and caressing each other. After awhile Sienna continued with the BBBJ and although I was looking forward to full sex the experience was too good to stop. I warned her that I was getting near to exploding and to my amazement, she kept going until I did. 10min of relax and ready for sex, then had a go doggie style and a few other positions and she suggested that she should finish me off with her mouth and that i could cum again. I certainly had no objection. All in all an amazing girl with a great body.
