The Premises:

Clean and tidy, very friendly receptionist, offered coffee as I had to wait, Felt safe and discreet, carpark at rear of building.

The Lady:

Pretty much as per web site although she is a little older than 19, no bad thing though as a bit more experience!!! I knew I was in for a good time just from the way she said hello, very friendly.

The Story:

I booked an hour as I had read some good reports about Astrid and I wanted to enjoy myself. Told Astrid that I had come for everything so I guess she knew what I had in mind. Started by kissing and cuddling which ended with me going down on her lovely pussy, licking her until she came. Then her turn to return the favour which was lovely deep and slow, just the way I like it, stopping so I didn't come too quickly.

Then on with the protection and lube and I slowly slipped my cock up her tight arse from behind, fucked her for quite a while in this position and with Astrid rubbing her clit she came again. Slipped out of her took off the rubber and she sucked me till I came in her mouth and over her face.

After a short rest it was down to round two, more oral without and then I fucked her pussy and arse with Astrid lying on her back, pulled out and came for a second time over her tits.

All in all a fantastic time was had by me and I think her, she sees she just likes sex and looks forward to Thursdays!! So will be visiting Astrid again soon.
