The Premises:

Rather shabby downstairs but much better in the "work rooms" upstairs. The front room, which we used, is very large, clean and airy. Plenty of free parking nearby and on a bus route.

The Lady:

Sadea, pronounced "Saajaa" is a tall, slim, but shapely girl in her late twenties. Indian, she says fron New Delhi, pale complexion with medium enhanced breasts, without the characteristic Indian brown saucers round the nipples. A very fine posterior, especially when bent over in doggy, but see later!

The Story:

I'd heard that there was another Indian girl at Honeyz so made a trip to investigate ?. Well she wasn't quite what I was expecting, looking IMHO more Pakistani than Indian, but very attractive none the less. She disrobed straight away to reveal a very attactive body to go with her smile. She suggested that I lay on my front for massage, but I declined saying I'd rather lay on my back so I could keep my eyes on her! She gave me a very erotic finger tip massage, moving quite quickly to my G spot between balls and anus, and then to tease me around the anus itself. She asked if I would like her finger inside, and when I said yes popped a rubber on her finger, lubricated it with gel and then then gently probed me inside. She then paid my requested attention to my nipples whilst I lightly smacked her very inviting bottom. We took the main course in doggy, one of those really memorable sights with her beautifull bottom spreading out from her narrow waist. I took a pleasurably long time to work up to my climax, a sign that I am really relaxed with a girl. She then took the time to clean me up before dressing and sending me on my way a very happy bunny!
