### The Premises:

Christy lives in a very nice apartment in Paddington, is a quite nice area, her place was clean and tidy.

### The Lady:

Christy is a stunning young lady, slim and young. She speaks good English, I love her accent. The most beautiful thing about Christy (after her body) was her smile, she has a spark in her eyes when she smiles, so cute. Her pictures are spot-on, no problems here. The time i spent with her was just great.

### The Story:

She greeted me in naughty underwear, stockings, suspenders and high heels. An absolutely delightful girl. We started to kiss and undress each other, once on the bed she gave me a very good, sweet, slow BBBJ soon I was on the edge but she didn't let me cum, I was ready for sex but she asked me if i wanted to kiss her pussy. I don't always do oral on WG for all the reasons We all know, but she was smelling and tasting so nice that I just lost my self in that wet-paradise. I was still there when we moved to 69 and, slowly slowly, she slipped a condom on me and began a marvelous reverse-cowgirl. Christy was holding her hair and I was holding her bum, she danced on my cock, simply fantastic. After this, we changed a couple of positions and, finally, I took her tight hole. We were both quite loud when I came. I don't really know if she came as well, but for sure was great when she was spreading her ass asking me to pump harder. My orgasm has been completely satisfying, and I felt so relaxed.
