The Story:

Booked Saki who sometimes uses the name Ploy as I was knocked over by the pics of her on the site.They didnt dissappoint and she is just as good as the pictures suggest.Wanted to vist her for a domination session as per the services listed on the escorts profile.she was dressed the part but when I turned up she told be she only dresses up for the photos on the site and actually doesnt do this service. Anal was also advertised but she said she could do with me as too big which I dont consider I am .owo was interupted with complained that it tasted salty.Have used this agency many times witout complaint before so was very disappointed.
