### The Premises:

I've always liked WFB and probably prefer the Bury branch as it's a little discreet to get into.

### The Lady:

A lovely looking dark haired girl with a very peachy arse.

### The Story:

I was in a bit of a quandary about this report, as Rosie was a very friendly girl and parts of the punt were alright. However, the overriding feeling of the punt was I was rushed and the service wasn't that good. The feeling I had in the car on the way home was disappointment.

We started off with a back up that wasn't particularly sensual or therapeutic. Rosie then asked me to turn over before applying the condom (she doesn't do OWO). Her technique was really quite nice and she has got some skills in that department, but the time spent doing this was pretty limited. We'd agreed before she started the O that after some time she'd swing her leg over me so we'd move into the 69 position. She did this, but again the time spent in the 69 was a limited and it wasn't long before she jumped off and asked to go at it doggy. This part was pretty nice, as Rosie has a lovely arse which is made for doggy, but unfortunately I was feeling rushed and the old chap was starting to not wanting to play. She did ask me if I wanted to try A-levels for an extra £30, but I didn't really have the cash or the inclination. In the end we finished with Rosie giving me a hand job, but this wasn't done very well with Rosie stopping at the crucial time. I did ask about CoB, but this was an extra £10, so I didn't bother.

To sum up, I think Rosie would be a lovely girl to spend some time with down the pub, but in terms of paying for the service that I received I can't recommend her and I wouldn't be back to repeat the performance. I saw Levi at SS the day before and the difference in punts was like night and day and that's where I'd prefer to spend my punting tokens.
