The Lady:

Donna is described as a 5'5" size 10 Spanish brunette with b cup breasts and waist length hair. The only thing I would add is that she is absolutely gorgeous, she is probably not Spanish but that is not a minus. She has na stunning figure and a warm and fiendly personality

The Story:

I never go in for blow by blow descriptions of what I do with the ladies. If you want a great GFE with lots of kissing and touching then Donna is your girl. Have seen her about 10 times and ever time I feel as if she has never seen anyone else that day and gives you her full attention. Donna is a true gem and long may she stay here.
