### The Lady:

Very petite but everything in proportion - size 6/8 I'd say, lovely skin, small tattoo on hip, short bobbed hair, nicely mature, fabulous looks and personality.

### The Story:

Not seen Jules (or Julia - same person, she had to use a second user name for internet reasons) for ages - and having renewed my acquaintance I will not let it go as long before I see her again. As others have noted she is quite simply fantastic, forget the sex, you could talk all night - she is intelligent and devoted to her work. Being late in the day I opted for the basic service, started by undressing her and I enjoyed gently fingering her lovely pussy (shaven). She then turned her attention to me and quickly got into what I like - unfortunately from a nervous start things developed rapidly (too rapidly) and as she rolled the Durex on i could feel myself going over the top. Julia tried valiantly to slow me down and said "think of something else!" - I tried imagining I was changing a tyre but I could feel I was losing it and then she suggested I think fo Income Tax (her idea to put anyone off!) and I came. We broke down laughing and Julia apologised (quite unnecessarily) for bringing me off too fast - it really wasn't here fault, just me being aroused by a fabulous lady. We decided a better sex dampener might be "your wife's outside, Sir!". We chatted for a while longer and I was really sad to go, Julia would be great without the sex, with it she is unbelievable. When you see her, mention my name - and ask about the Incoem Tax story....!
